It can be tough losing a loved one and all the associated probate valuation, estate clearance, and administration makes it a lot tougher.

At Just Clear, we offer a kind and understanding level of professionalism for relatives and executors as well as probate solicitors and court of protection officers.

Just Clear™

Make more room for you

www.just-clear.co.uk

At Just Clear, we have undertaken the management of hundreds of probate estates and house clearances all over the country as well as meeting wonderful people along the way.

We work with professionals who believe, like us, that managing a probate estate and clearance doesn't need to be difficult.

Just Clear™

Make more room for you

Some of the services that we regularly provide include:

- Locksmith
- Block insurance and periodic visits
- Complete property clearance
- RICS chattel report and removal service to auctions for the estate
- Security, alarms, boarding
- Regular cleaning
- Property valuation and sale via agents and auctions
- Biohazardous clearance
- Secure storage
- Pest control
- Thermal fog
- Deodoriser and neutraliser

We can provide all or any combination of these services, meaning we are a one-stop solution whether you already have some of the work in place or none of it.

www.just-clear.co.uk

Our property clearance service is designed to provide a cost-effective and environmentally sound service that is as smooth and efficient as possible for everyone involved.

It's not just junk to us! We do our best to
donate and recycle as much as we
can.

When you use Just Clear, you're
helping to keep items out of the landfill
and giving back to the community too.

Just Clear™

Unlike other companies that claim they take all **junk**, we can actually take **any** waste

This includes:

- Asbestos
- Biological or Medical waste
- 'Box' TVs (CRTs) and monitors
- Gas bottles or Fire extinguishers
- Oil, petrol or diesel
- Paint or paint cans
- Raw meat or raw fish
- Toxic substances, noxious chemicals & solvents
- Domestic "black bin bags"
- Car tyres, truck tyres, lorry tyres, tractor tyres
- Car batteries
- Pianos
- Commercial fridges, chiller cabinets, freezers, air conditioning units
- Fluorescent tubes

As well as the more common::

- All types of non-hazardous junk and bulky waste such as furniture, bric-a-brac, garden refuse, general rubbish, rubble, DIY and builder's waste
- Electrical appliances such as dishwashers, cookers, washing machines, microwaves and kettles
- Domestic fridges
- Mattresses
